MEMORANDUM FOR: OS/EAB

VIA : BID/PB/SO
RID/SO

SUBJECT : Report of Intended Public Involvement

On Wednesday, 4 October 1967, there will be a third and final hearing on the proposed open housing law for Prince Georges County, Maryland. I have strong views on the subject but because of my employment with the Agency I have refrained from appearing as a witness at any of the previous hearings. However, due to the preponderance of witnesses in favor of the proposed legislation at the two previous meetings, I feel compelled to attend the 4 October hearing and express my views in opposition to open housing.

In connection with this matter I would like to be briefed as to how to handle my Agency affiliation should I be quizzed in this area. Since my views are controversial there is a good likelihood that I may be interviewed by the press or other news media.

I am not under cover although I am employed by the Clandestine Services in the capacity of Supervisor of the Courier Unit.
